NOTE:

1) The above audited financial results have been reviewed by the Audit Committee and approved by the Board of Directors of the Company in their respective meetings held on May 29, 2026. The Statutory Auditors of the Company have issued modified report on the above results.
2) The above audited financial results of the Company have been prepared in accordance with the Indian Accounting Standards (IND AS) prescribed under section 133 of the Companies Act, 2013 (the "Act") read with relevant rules issued thereunder, other accounting principles generally accepted in India and guidelines issued by the Securities and Exchange Board of India.
3) As per Indian Accounting Standard (Ind AS) 108 'Segment Reporting', the business of the Company mainly comprises sale of "Batteries" which has been identified as a single reportable segment.
4) "Impact of labour codes : On November 21, 2025, the Government of India notified the four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020 and the Occupational Safety, Health and Working Conditions Code, 2020 - consolidating 29 existing labour laws. The Ministry of Labour & Employment published draft Central Rules and FAQs to enable assessment of the financial impact due to changes in regulations. The Company has assessed and disclosed the incremental impact of these changes of Rs 339.77 lakhs on the basis of best information available, consistent with the guidance provided by the Institute of Chartered Accountants of India. Considering the materiality and regulatory-driven, non-recurring nature of this impact, the Company has presented such incremental impact under "Exceptional items" in the financial results for the quarter ended December 31, 2025 and year ended March 31, 2026.

   The incremental impact consisting of gratuity of Rs 324.91 lakhs & Leave Encashment of Rs. 14.86 lakhs primarily arises due to change in wage definition. The Company continues to monitor the finalisation of Central / State Rules and clarifications from the Government on other aspects of the Labour Code and would provide appropriate accounting effect on the basis of such developments as needed."
5) "The Company is required to comply with the Battery Waste Management Rules, 2022 ("the BWMR" or "the Rules") issued by the Ministry of Environment, Forest and Climate Change, Government of India ("MoEFCC"). As per the said Rules, the Company is required to undertake Extended Producer Responsibility ("EPR") obligations for recycling and/or refurbishment targets and the Central Pollution Control Board ("CPCB") has notified the rates for environmental compensation for non-fulfillment of targets under these Rules.

   The Company, along with other industry participants, has encountered challenges in complying with the provisions of the BWMR, particularly with respect to achieving the prescribed recycling and/or refurbishment targets within the stipulated timelines and the significant associated compliance costs. The compliance cost, mentioned in the notification is based on the different composition of batteries. Accordingly, through the Resource Efficiency and Circular Economy Industry Coalition ("RECEIC")*, the representations have been submitted to the MoEFCC requesting review of the prescribed targets, associated compliance costs and extension of implementation timelines. Response from the MoEFCC is awaited.

   Additionally, the Indian Battery Manufacturers Association ("IBMA"), and certain electronic manufacturers, have filed a writ petition before the Hon'ble Delhi High Court challenging the E-Waste (Management) Rules, 2022, the Battery Waste Management Amendment Rules, 2024, particularly in relation to the regulated pricing mechanism for EPR certificates. As at the date of these financial statements, the matter is under consideration by the Hon'ble Delhi High Court.

   Pending the outcome of the aforesaid representations, the Company is unable to reliably estimate the expected outflow that may be required under these Rules and accordingly no adjustments have been made in these financial statements.

   *The Federation of Indian Chambers of Commerce and Industry (FICCI) serves as the primary secretariat for the RECEIC coalition"
6) During the year ended March 31, 2026, the Company revised its accounting estimates with respect to depreciation. This includes a change in the method of depreciation from the Written Down Value (WDV) method to the Straight Line Method (SLM), the removal of residual value for certain assets and an increase in the useful life of certain existing assets based on a technical evaluation. As a result, the depreciation charge has increased by Rs. 57.61 lakhs for the financial year.
7) The Board of Directors has recommended dividend of Rs 1.95 (19.50%) per fully paid up equity shares of face value of Rs. 10 each for the year ended March 31, 2026. The payment of dividend is subject to approval of the shareholders in the ensuing AGM of the Company.
8) The figures of the quarter ended March 31, 2026 and March 31, 2025 are the balancing figure between audited figures in respect of full financial year and the limited reviewed published year to date figures up to the third quarter of the respective financial year.
